

Greeters

Requirements: Willingness to talk to people, and a love of curling!

Arrival Time: 30 minutes before event starts

Departure Time: 30 min after class starts, or after everyone is checked in.

Note: Greeters can also volunteer as Mixers in the same session if interested.

Description of Duties: As the name suggests the greeters are the first face that a L2C student will see. A greeter's goal is to make the student feel welcome and "at home" when they arrive, as well as to complete the Check-In process and answer questions.

When you arrive to the club:

- a) Make sure enough CCC waivers are printed for the class.
- b) Confirm grippers bins are out and ready for participants

When students begin arriving:

- c) Make sure each student fills out a CCC waiver
- d) Confirm the student has proof of covid vaccination or a negative covid test within 72 hours.
- e) Inform the student that masks are worn at all times when playing and moving around the club. However, not required when eating / drinking or properly socially distanced.
- f) Direct them to move to the warm room and relax before their class starts.
- g) Point them to where the bathrooms are located.
- h) Suggest looking at our beverage selection.

Take It To The Next Step

The best next step for a LTC participant to take is to join one of our upcoming instructional leagues. These classes build on the fundamentals learned in the LTC and are a stepping-stone to joining our leagues.

Instructional League:

What Is It?: A 3-session 2-hour long league where we will instruct you on the finer points of the game with drills and in-game coaching

Who Can Participate: Anyone who has taken a Learn to Curl class with us, or who has curled before

When: 2 sessions:

- 1) Wed 2/23, Wed 3/2, Sat 3/5
- 2) Fri 2/25, Fri 3/4, Sat 3/5

If someone is really engaged and interested in joining the club, there may still be spots available in spring league.

Memberships:

Memberships for the Spring session are \$235, and session members can play in one spring league. Spring league registrations for most leagues will be open through Feb. 28th (Sunday through Feb. 13th). The Leagues run from March through the end of April, except Sunday which starts Feb. 20th.
